

Alumni

Extension

Overview

The Alumni Extension of NSBE promotes participation and input from the professional engineering community. Additionally it provides a mechanism for NSBE Collegiate graduating seniors to continue their involvement with the organization.

The purpose of the Alumni Extension is to support NSBE in a way that:

- * Develops and enhances NSBE programs.
- * Increases technical awareness.
- * Encourages scholastic achievement, and
- * Stimulates enthusiasm in the Black engineering community in order to promote technical expertise, professionalism, and fellowship among Black engineers.

Tucson Mentor Program

What Is Mentoring?

Mentorship refers to a personal developmental relationship in which a more experienced or more knowledgeable person helps a less experienced or less knowledgeable person.

5 Basic Mentoring Techniques

1. Accompanying
2. Sowing
3. Catalyzing
4. Showing
5. Harvesting

Instructing vs. Coaching vs. Mentoring...

An Instructor deals largely with the dissemination of knowledge. A Coach deals primarily with skill building. A Mentor is one who helps shape the outlook or attitude of the individual.
